

## **HEY GUYS – FISH FRY SOCIAL!**

**We've got the fish, hush puppies and cole slaw. Now all we need are friends and family to come over to our house and enjoy a nice, social afternoon with others.**

**So, bring your chairs, whatever you like and a beverage of your liking.**

**Directions to John and Mary's (from the Church):**

**Turn right out of the Church parking lot, at the signal, turn left (if you go straight you will be in the Food Lion parking lot). Go to the next signal and turn right onto US1. Go just a couple of blocks and turn left on Walker Avenue (there is a church on the corner). Continue about 3 miles to 876 Heaven Street. Walker Avenue becomes Heaven Street. The house is on the right. There is an RV in the driveway.**
