

Hello to all!

Our 1st Pot luck was a great success! Many thanks to our hosts, David & Pauline Lilley for opening their lovely home to us. It was a lot of fun and if you missed it, we're planning to do another.

This time it will be an **Ice Cream Social** at my house.

Bring your favorite 'go with' ice cream – **cake, cookies and Kahlua!** If anyone wants to make some homemade ice cream – that would be great! I'll supply the vanilla ice cream and some of the usual toppings – chocolate syrup, bananas, whipped cream. You can make your own:

- ***Banana split***
- ***Chocolate sundae***
- ***Whatever your heart desires...***

If you have visitors, bring 'em...the more the merrier! So come and join us on:

If you need directions, send me an e-mail. **Bring whatever you like and a beverage of your liking.**

Who wants to do the next one? You pick the date, time and decide what the menu should be.
